

HAVE GOOD HEALTH

Take Hood's Sarsaparilla, the Old Reliable Spring Tonic

Don't let the idea that you may feel better in a day or two prevent you from getting a bottle of Hood's Sarsaparilla today from any store and starting at once on the road to health and strength.

When your blood is impure and impoverished, it lacks vitality, your digestion is imperfect, your appetite is poor, and all the functions of your body are impaired.

Hood's Sarsaparilla is a wonderful blood tonic. It will build you up quicker than any other medicine. It gives strength to do and power to endure. It is the old standard tried and true all-the-year-round blood purifier and enricher, tonic and appetizer. Nothing else acts like it, for nothing else has the same formula or ingredients. Be sure to ask for Hood's; insist on having it.—Adv.

Walter Mayer, catcher, has been released by the Chicago Americans to the Milwaukee club of the American association.

Not a Bite of Breakfast Until You Drink Water

Says a glass of hot water and phosphate prevents illness and keeps you fit.

Just as coal, when it burns, leaves behind a certain amount of incombustible material in the form of ashes, so the food and drink taken day after day leaves in the alimentary canal a certain amount of indigestible material, which if not completely eliminated from the system each day, becomes food for the millions of bacteria which infest the bowels. From this mass of left-over waste, toxins and ptomaine-like poisons are formed and sucked into the blood.

Men and women who can't get feeling right must begin to take inside baths. Before eating breakfast each morning, drink a glass of hot water with a teaspoonful of limestone phosphate in it to wash out of the thirty feet of bowels the previous day's accumulation of poisons and toxins and keep the entire alimentary canal clean, pure and fresh.

Those who are subject to sick headache, colds, biliousness, constipation, others who wake up with bad taste, foul breath, backache, rheumatic stiffness, or have a sour, gassy stomach after meals, are urged to get a quarter pound of limestone phosphate from the drug store, and begin practicing internal sanitation. This will cost very little, but is sufficient to make anyone an enthusiast on the subject.

Remember, inside bathing is more important than outside bathing, because the skin pores do not absorb impurities into the blood, causing poor health, while the bowel pores do. Just as soap and hot water cleanses, sweetens and freshens the skin, so hot water and limestone phosphate act on the stomach, liver, kidneys and bowels.—Adv.

WILSON SEEKS CO-OPERATION

Asks Business Men of America to Assist in Industrial Inventory

STRICT CONFIDENCE IS PROMISED

Information Is for the Army and Navy Departments

New York, April 26.—An appeal by President Wilson to business men for co-operation with the committee on industrial preparedness of the naval consulting board in its industrial inventory of the country's resources for national defense was made public here yesterday by the committee. The president's letter, which was dated April 21, follows: "To the business men of America: I bespeak your cordial co-operation in the patriotic service undertaken by the engineers and chemists of this country under the direction of the industrial preparedness committee of the naval consulting board of the United States.

"The confidential inventory you are asked to supply is intended for the exclusive benefit of the war and navy departments and will be used in organizing the industrial resources for the public service in national defense.

"At my request, the American Society of Civil Engineers, the American Institute of Mining Engineers, the American Society of Mechanical Engineers, the American Institute of Electrical Engineers and the American Chemical Society are gratuitously assisting the naval consulting board in the work of collecting these data, and I confidently ask your warmest support in the interest of the people and government of the United States."

Instructions issued by the industrial preparedness committee to its field organization of more than 30,000 engineers in taking the inventory of manufacturing establishments, direct them to keep the inventory confidential and to retain no copies of it for their own use. "Impress upon the manufacturers that the schedule does not call for information of a private nature," adds the committee.

"However, the field aide should use every precaution against 'leaks.' No information obtained from a manufacturer shall be given out under any circumstances. The manufacturer should be assured that the report will be so handled as to prevent the disclosure of an information hurtful to his business."

If any manufacturer declines to make a report or to answer any questions, the field aide is requested to state his reason and complete the report from outside sources so far as possible, stating explicitly that the information is so obtained.

Among other information, the aides are directed to ascertain the values and

USING UP VITALITY

The struggle for success uses up vitality in America at a greater rate than any other thing. Fighting to keep away from the poor-house we shorten the distance to the grave.

Especially in middle age, at forty or thereabouts, do we become impressed with the necessity of laying up a competence and with that feeling in time comes worry, nervous breakdown, neurasthenia. The entire system feels the result of the nervous strain. The digestion resents things that it accepted before, the heart palpitates on slight exertion, the muscles of the back ache after a day's work. Your blood is thinner and not so bright a red.

When these things occur, whether you are fourteen or forty, you need a tonic. Dr. Williams' Pink Pills suit most people's need because they are non-alcoholic and they really build up the blood and strengthen the nerves. They are useful for growing children and for men and women whose nervous energy has been overtaxed.

Your druggist sells Dr. Williams' Pink Pills or they will be sent by mail, postpaid, on receipt of price, 50 cents per box, six boxes \$2.50 by the Dr. Williams Medicine Co., Schenectady, N. Y. Write today for free booklet on the blood and nerves.

areas of the manufacturers' plants, horse-power, materials used and products manufactured and shipping facilities.

BRITISH GAIN IN AFRICA. Continue Their Penetration Into German Colony.

London, April 26.—Kondoa, thirty-five miles south of Umuigwe in the district of Irangi, has been captured by the British expedition into German East Africa. Severe losses were inflicted on the Germans, who retired in the direction of the Central railway. A number of prisoners were taken by the British. This is the farthest point to which the expedition has penetrated.

IN LOCAL MARKETS

Fresh Eggs Are Plenty at 21@22 Cents Per Dozen

DRESSED PORK FIRM AT 12 CENTS

Dairy Butter 31c, Creamery 33c—Potatoes \$1.25 Per Bushel

Barre, Vt., April 26, 1916.

Fresh eggs plenty. Dressed pork firm at last quotation. Wholesale quotations: Dressed pork—12c. Veals, fancy—12c. Fowls—20@22c. Fresh eggs—21@22c. Butter, creamery—33c. Butter, dairy—31c. Parsnips—1½c. Potatoes—\$1.25.

IN BOSTON MARKETS.

Butter Receipts Are Well Cleaned Up—Cheese and Egg Markets Dull.

Boston, April 26.—The local butter market is marking time, as it often does just before a change one way or another. Demand shows no particular snap, for there is hardly a buyer who does not believe that by waiting he will be able to secure supplies more cheaply; but supplies are light, for there is almost no average butter and the day-to-day needs of distributors are sufficient to take care of all the fresh butter that is coming in, especially as several large cutters of butter who ordinarily would be cutting storage stock if it was available are using fresh butter.

In spite of its sold-up condition, however, the market cannot be accurately described as firm; buyers are inclined to haggle over prices and as receivers ex-

MOTHER GAINED 30 POUNDS

Father John's Medicine Gave Her New Health and Strength—Helped the Children, She Says

Mrs. Ida M. Butter of Waterville, Me., says: "I was so run down I could hardly do my work in the house, until I began taking Father John's Medicine, which built me up in flesh and strength. I gained 30 pounds while taking it. I have used Father John's Medicine for my children with good success." (Signed) Mrs. Ida M. Butter, 37 King street, Waterville, Me.—Adv.

BAD BREATH

Dr. Edwards' Olive Tablets Get at the Cause and Remove it

Dr. Edwards' Olive Tablets, the substitute for calomel, act gently on the bowels and positively do the work.

People afflicted with bad breath find quick relief through Dr. Edwards' Olive Tablets. The pleasant, sugar-coated tablets are taken for bad breath by all who know them.

Dr. Edwards' Olive Tablets act gently but firmly on the bowels and liver, stimulating them to natural action, clearing the blood and gently purifying the entire system.

They do that which dangerous calomel does without any of the bad after effects. All the benefits of nasty, sickening, gripping cathartics are derived from Dr. Edwards' Olive Tablets without griping, pain or disagreeable effects of any kind.

Dr. F. M. Edwards discovered the formula after seventeen years of practice among patients afflicted with bowel and liver complaint with the attendant bad breath. Dr. Edwards' Olive Tablets are purely a vegetable compound mixed with olive oil; you will know them by their olive color. Take one or two every night for a week and note the effect. 10c and 50c per box. All druggists.

The Olive Tablet Company, Columbus, O.

pect a material expansion in receipts before long they are inclined to make concessions rather than take the chance of being caught with high-costing butter on hand in the event of a break, which undoubtedly will follow any considerable increase in the receipts. The cheese market also is dull, with holders quietly meeting buyers on prices for the purpose of stimulating business. The usual post-Easter quiet is noted in the egg market and while prices are unchanged, the market is not as firm as it was last week.

SPAULDING ALUMNI BEAT SCHOOL BOYS

Interesting Contest Full of Errors Ended 7 to 6 for the Older Men.

A team composed chiefly of Spaulding alumni defeated the high school baseball team on Lincoln campus in an eight-inning game yesterday afternoon by the score of 7 to 6.

Both teams used two pitchers before the close of the game, Ossola relieving Nichols for the undergraduate team and Johnston taking "Tommy" Tomasi's place on the mound for the alumni. Hits were fairly numerous on both sides, though the alumni bunched most of theirs in the lucky seventh while the younger men used up most of theirs in the first inning.

Neither team scored until the last of the second, when Loranger was hit by a pitched ball, after which Mann hit safely and both came home on a passed ball by Kenefick. The third inning added still more to the score of Coach Brown's bunch when a total of eight errors on the part of their opponents gave them a chance to bring in three more tallies.

In the first of the fourth, however, the alumni settled down and with a hit each from Sector and Stuart secured their first run. Spaulding secured another score in the latter part of the inning, when Thompson got his base on Smith's error and later stole home.

The alumni team made four runs in the seventh and two more in the eighth, which put them one point in the lead when the game was called. The high school team came near tying the score in the latter part of this inning when Mann attempted to beat Smith's throw in on Ricciarelli's long fly but Umpire Leslie called him out at the plate.

The tabulated score: SPAULDING. ab r h po e. ab h po e. Ossola, 2b, 5 1 0 1 0 Kenefick, c, 2 0 1 0 2 Ricciarelli, ss 5 1 1 2 0 Tomasi, p, 4 1 0 2 0 Thompson, 2b 3 0 1 1 0 Kider, 3b, 4 0 2 1 3 Johnston, rf 3 1 4 0 2 Sector, 2b, 3 1 2 0 2 Nichols, p, 4 0 0 1 0 Johnston, 3b, 4 0 1 1 2 Geals, 1b, 4 0 7 0 0 Stuart, 1b, 4 2 2 3 1 Loranger, cf 4 0 0 0 0 Smith, lf, 4 2 2 0 0 Mann, lf, 4 1 1 0 0 Lewis, cf, 4 1 0 0 0 Yanetti, 2b 2 0 7 0 0 Gordon, rf, 3 1 1 0 0 Jordan, 3b 2 0 2 0 1 McHugh, 3b 0 0 1 0 0 Totals 38 4 24 6 2

Runs—Loranger 2, Mann, Thompson 2, Nichols, Sector, Kenefick, Tomasi, Smith 2, Lewis, Gordon. Two-base hits—Smith, Sector, Gordon, Mann. Bases on balls—Off Tomasi 1 in 8 innings, off Johnston 1 in 3 innings, off Nichols 1 in 3 innings, off Ossola 1 in 3 innings. Passed balls—Kenefick 2, Jordan. Hit pitched ball—By Nichols, by Tomasi. Stole home—Smith. Umpire—Leslie. Time—1:30.

BASEBALL NOTES

The dates on which the games postponed by the Giants will be played are as follows: Postponed game in Philadelphia, Aug. 14, two games postponed in Brooklyn, June 24 and 26, and Saturday's game with Philadelphia June 29.

William Klem, umpire, is suffering from a disease known as stagnation of the blood and is under doctor's treatment. The Florida climate does not agree with Klem, for both times he has gone there to umpire spring games for Brooklyn he has come back anything but fit.

Robert Groom, the St. Louis pitcher, seems to have the Cleveland club at his mercy, for in 18 innings, two games, they have been able to make only two runs and four hits. Three of these hits came in the first game and one in the second.

Ned Mahan, the Harvard pitcher, who is to join the Braves, is much praised as a college pitcher, but he has never been as good a pitcher as Walter Clarkson, who failed to make good in the big leagues.

If Mahan should join the Braves and Way of Yale the Giants, as has been rumored, these two college rivals would sooner or later meet in professional surroundings. There has never been a similar case in baseball. However, according to John Foster, secretary of the Braves, there is nothing certain as yet about Way's coming to the Giants. McGraw and Way have had a talk but that is as far as the thing has gone, according to official information at present.

Larry Miller and Dave Hickman, who were outfield candidates for the Dodgers, have both been released. Hickman goes to the New Haven club of the Eastern League.

The Philadelphia Nationals have signed Claude Cooper, outfielder. Cooper played
